Re: Formal Approval of Form and Amount of Replacement Reclamation Surety, Jay Pagano Estate, Pagano Clay Project, M/015/062, Emery County, Utah

Dear Mr. Marston:

On March 8, 1995, the Board and Division of Oil, Gas and Mining formally approved the form and amount (\$3,700) of replacement reclamation surety for the Pagano Clay Project. The reclamation surety is in the form of a surety bond (#) issued by Federal Insurance Company. This approval is effective March 8, 1995.

Enclosed please find copies of the fully signed and executed Reclamation Contract and surety bond forms for your files. The old original Surety Bond from Reliance Insurance Company (#), old Reclamation Contract, and a copy of the signed surety cancellation notice are also enclosed for your records.

Thank you for your cooperation in completing this permitting action. Please call if you have any questions in this regard.

Sincerely,

Anthony A. Gallegos
Reclamation Engineer
